Our professional on-site kitchen and talented chefs make catering a breeze.

Embrace now a unique blend of modern infrastructure and creativity for all your event formats:

- Corporate conferences
- Workshops
- Themed parties
- Hybrid events
- Live debates
- And so much more...

## What they say about their experience at BluePoint

« ... beautiful and attractive venue which gives a professional look to your event. The staff is very friendly and helpful. We received a lot of positive feedback about the location and the catering (completely vegetarian). I can certainly recommend BluePoint if you want to organise a sustainable event. »

**Jorine Vermeer**

*Project Manager at Goodplanet Belgium*

« ... professional and very correct cooperation. Given the unusual setting required for this event, a good briefing, regular updates, correct budget agreements and smooth communication ... brilliant and successful event! »

**Ilse Saerens**

*Sponsoring & Events Expert at ING*

## 5 reasons to host your event at BluePoint Antwerpen

### 1. PERFECT LOCATION

Conveniently located on the outskirts of Antwerpen, just a few minutes away of the Berchem train station our conference center is accessible by car, public transport, or bike. Charging stations are also available.

### 2. GREAT CAPACITY AND VERSATILITY

20 multifunctional event spaces to accommodate up to 600 people. The rooms are highly modular, suitable for all types of events. The large rooftop terrace also offers great possibilities for summer events.

### 3. HIGH-END INFRASTRUCTURE

Equipped with the latest technology to ensure your events sound and look wonderful. From crisp and clear audio to stunning lighting effects, we've got you covered.

### 4. PROFESSIONAL SUPPORT

Our team of experienced event planners are here to assist you every step of the way. From planning to delivery, we're dedicated to making your experience seamless and enjoyable.

### 5. ECO-FRIENDLY ORGANISATION

Our Green Key label proves our commitment to sustainability, using renewable energy sources, energy-efficient equipment, and eco-conscious practices reducing the impact on our environment.
